

WHITNASH SPORTS & SOCIAL CLUB

CHANGES TO COVID-19 RESTRICTIONS

To All Members and Guests:

First of all, we would like to thank you all for your efforts in keeping the Club safe and adhering to the rules we have set due to Covid-19. Your co-operation is vital to the safety and protection of us all, and will ensure that we are able to continue to meet and socialise at the Club for the foreseeable future.

As you will know, with effect from **MONDAY, 14TH SEPTEMBER**, we are legally required to social distance in groups of a maximum of six people, and we would urge you to please ensure that you adhere to this ruling. You will appreciate that the Covid restrictions are very difficult to police, so please help our Steward and bar staff by continuing to abide by these rules.

Can we also remind you that, in addition to the new Rule of Six, the following applies at the Club so please continue to respect these restrictions and rules in the interests of your fellow members and guests:

- There is a one-way system in place, no matter how tedious it may seem.
- Please ensure that you complete a Track and Trace form on your first ever visit to the Club, and sign the Track and Trace Register on every subsequent visit.
- There are five wall sanitiser units throughout the main club – please use regularly and wash your hands thoroughly.
- Please continue to form a distanced queue at the bar and move away from the bar once you have been served.
- Only one person in the toilets at a time.

Unfortunately Covid-19 is still with us and we cannot afford to become complacent, so for all our sakes we appreciate your continued support and co-operation.

Stay safe and thank you.

*WSSC Management Committee
